Position Purpose

Receive, review and take action on reports initiating payroll actions to ensure proper payment of wages to University employees. Utilize mastery of general office procedures and a thorough understanding of University pay policies to accurately calculate salaries and retroactive wages.

Essential Job Functions

- Review paperwork for appointments, re-appointments, terminations, changes in charge, stipends, etc. for conformance to University pay policies and procedures. Input personnel action information to ensure proper and timely payment or cessation of wages; calculate salaries for fractional and part-time staff; compute daily pay rates.

- Process salary advance requests; ensure requestor has completed necessary paperwork and is eligible for payment; calculate amount to be paid; assure recovery of pay advance. Report on pay advance requests to assist in locating units having problems submitting paperwork on a timely basis.

- Compute saving bond deductions and arrange for bond purchases from financial institutions; report on saving bond deductions and purchase. Monitor and maintain housing payment for eligible individuals.

- Investigate and resolve payroll accounting problems. Calculate retroactive salary payments; compute pay of illness and vacation banks for employees leaving the University; report on and assist in correcting overpayment of wages to employees.

- Respond to and resolve various payroll questions and problems as requested. Research delays in paying employees and discrepancies in payments; provide University staff information about policies, procedures, deductions and payroll status. Check and correct some errors for processing of final payroll.

- Perform related work as assigned.

Additional Comments
