Nomination Format

“Cody (person and/or team) did/said ______(behaviors), which allowed ____________ (positive impact for me, team, WSU, local/global community)”

Example Nomination

“[Name] is a person I would follow to another company to be able to continue working with her. She shows trust in others by setting high standards for herself first and sharing these as expectations (not demands) that she has faith in you to achieve. She shows courage and the ability to be vulnerable because she admits when she makes a mistake or doesn’t have an answer. A great team begins (and ends) with leadership. [Name] makes WSU stronger – she leads by example.”

‘Think “Quality” not just “Quantity”

Reflect on how strongly this person and/or team exhibits the behaviors above and the nature of the positive impact on others to decide if they should receive a certificate of recognition only or are also deserving of an annual award. While nominees at this level of excellence typically ‘check off many boxes,’ the quality of two or three behaviors or a broader impact could be as important as the quantity of boxes checked.
