WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to any occupation for your Employer on a Full-time basis.

TL-004712

WHEN COVERAGE ENDS

Your coverage ends on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date you are no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date you are no longer in Active Service;
6. the date benefits end because you did not comply with the terms and conditions of the insurance coverage.

If you are entitled to receive Disability Benefits when the Policy terminates, Disability Benefits will be payable to you if you remain disabled and meet the requirements for the insurance. Any later period of Disability, regardless of cause, that begins when you are eligible under another disability coverage provided by any employer, will not be covered.

TL-007505.00

WHEN COVERAGE CONTINUES

This provision modifies the When Coverage Ends provision to allow insurance to continue under certain circumstances if you are no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the When Coverage Ends provisions.

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of your approved FMLA leave or the leave period required by law in the state in which you are employed. Premiums are required for this coverage.

If your Active Service ends due to sabbatical or other leave approved in writing by the Employer prior to the date you cease work, insurance will continue up to 12 months or the end of such leave, if the required premium is paid.

If your Active Service ends due to leave of absence for the purpose of either full-time study for an advanced degree, or work in the field of education or research such as a Fulbright Award, foundation grant, or government project approved in writing by the Employer prior to the date you cease work, insurance will continue to the end of the period approved by the Employer, but not to exceed 2 years, if the required premium is paid

If your Active Service ends due to any other leave approved in writing by the Employer prior to the date you cease work, insurance will continue to the end of the calendar month in which the leave began, if the required premium is paid

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, your insurance will continue until the earlier of:

- a. the date your employment relationship with the Employer terminates;
- b. the date premiums are not paid when due;
- c. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if your Active Service ends due to layoff, termination of employment or any other termination of the employment relationship, insurance will terminate and continuation of insurance under this provision will not apply.

TAKEOVER PROVISION

This provision applies to you only if you are eligible under this Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the prior plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:
 1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods.
- B. The Elimination Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:
 1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;

3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
4. The Disability begins within 6 months of your return to Active Service and your insurance under this Policy is continuous from this Policy's Effective Date.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

We will pay Disability Benefits if you become Disabled while covered under this Policy. You must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. You must provide to us, at your own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

We will require continued proof of your Disability for benefits to continue.

Elimination Period

The Elimination Period is the period of time you must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation

The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If you are working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive

The Return to Work Incentive is shown in the Schedule of Benefits. You may work for wage or profit while Disabled. In any month in which you work and a Disability Benefit is payable, the Return to Work Incentive applies.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit

We will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits

If Disability Benefits are payable to you under this Policy, you may be eligible for benefits from Other Income Benefits. If so, we may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

1. any amounts received (or assumed to be received*) by you or your dependents under:
 - the Canada and Quebec Pension Plans;
 - the Railroad Retirement Act;
 - any local, state, provincial or federal government disability or retirement plan or law payable for Injury or Sickness provided as a result of employment with the Employer;
 - any work loss provision in mandatory "No-Fault" auto insurance.
2. any Social Security disability or retirement benefits you or any third party receive (or are assumed to receive*) on your own behalf or for your dependents; or which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any Retirement Plan benefits funded by the Employer. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay for our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts received (or assumed to be received*) by you or your dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
6. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise for a disability for which disability benefits are payable under this Policy, where a third party may be liable, regardless of whether liability is determined.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of your entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating your Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments

Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you (and your dependents, if applicable) are receiving benefits for which you are eligible from Other Income Benefits. We will reduce your Disability Benefits by the amount from Other Income Benefits we estimate are payable to you and your dependents.

We will waive Assumed Receipt of Benefits, except for Disability Earnings for work you perform while Disability Benefits are payable, if you:

1. provide satisfactory proof of application for Other Income Benefits;
2. sign a Reimbursement Agreement;
3. provide satisfactory proof that all appeals for Other Income Benefits have been made unless we determine that further appeals are not likely to succeed; and
4. submit satisfactory proof that Other Income Benefits were denied.

We will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until you actually receive them.

Social Security Assistance

We may help you in applying for Social Security Disability Income (SSDI) Benefits, and may require you to file an appeal if we believe a reversal of a prior decision is possible.

We will reduce Disability Benefits by the amount we estimate you will receive, if you refuse to cooperate with or participate in the Social Security Assistance Program.

Recovery of Overpayment

We have the right to recover any benefits we have overpaid. We may use any or all of the following to recover an overpayment:

1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to us.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when you die, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability

A separate period of Disability will be considered continuous:

1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, you return to work in your Regular Occupation for less than 365 consecutive days; and
3. if you earn less than the percentage of Indexed Earnings that would still qualify you to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when you are eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, you must satisfy a new Elimination Period.

TL-007500.23

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability

If we determine that you are a suitable candidate for rehabilitation, we may require you to participate in a Rehabilitation Plan and assessment at our expense. We have the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. We will work with you, the Employer and your Physician and others, as appropriate, to perform the assessment, develop a Rehabilitation Plan, and discuss return to work opportunities.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

If you fail to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, no Disability Benefits will be paid, and insurance will end.

TL-007501.00

Cost of Living Adjustment (COLA) Benefit (Applicable to classes 1, 2, 4 and 7)

Each year after you are continuously Disabled and after 12 months from the original date of Disability, we will increase your Monthly Benefit and Monthly Annuity Contribution Benefit. The increase will be a flat 3%.

The increase will become effective on the first day of the month following the anniversary of the original date of Disability. We will not apply this increase to the Minimum or Maximum Disability Benefit. Nor will we apply it to the formula used to determine your Work Incentive Benefit, if any. No increase in the Monthly Annuity Contribution Benefit will go into effect to the extent the increase would cause the Monthly Annuity Contribution Benefit to exceed the maximum allowable annual addition under the Internal Revenue Code.

TL-005101b

Survivor Benefit

We will pay a Survivor Benefit if you die while Disability Benefits are payable to you for a continuous period of Disability. The Survivor Benefit will equal 100% of the sum of the last full Disability Benefit payable to you plus the amount of any Disability Earnings by which the benefit had been reduced for that month. A single lump sum payment equal to 3 monthly Survivor Benefits will be payable.

We will pay the Survivor Benefit to your Spouse. If you do not have a Spouse, we will pay your surviving Children in equal shares. If you do not have a Spouse or any Children, we will pay your estate.

"Spouse" means your lawful spouse. "Children" means your unmarried children under age 26 who are chiefly dependent upon you for support and maintenance. The term includes a stepchild living with you at the time of your death.

TL-005107

TERMINATION OF DISABILITY BENEFITS

Benefits will end on the earliest of the following dates:

1. the date you earn from any occupation, more than the percentage of Indexed Earnings set forth in the definition of Disability applicable to you at that time;
2. the date we determine you are not Disabled;
3. the end of the Maximum Benefit Period;
4. the date you die;
5. the date you refuse, without Good Cause, to fully cooperate in all required phases of the Rehabilitation Plan and assessment;
6. the date you are no longer receiving Appropriate Care;
7. the date you fail to cooperate with us in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Benefits may be resumed if you begin to cooperate fully in the Rehabilitation Plan within 30 days of the date benefits terminated.

TL-007502.00

WHAT IS NOT COVERED

We will not pay any Disability Benefits for a Disability that results, directly or indirectly, from:

1. suicide, attempted suicide, or self-inflicted injury while sane or insane.
2. war or any act of war, whether or not declared.
3. active participation in a riot.
4. commission of a felony.
5. the revocation, restriction or non-renewal of your license, permit or certification necessary to perform the duties of your occupation unless due solely to Injury or Sickness otherwise covered by the Policy.

In addition, we will not pay Disability Benefits for any period of Disability during which you are incarcerated in a penal or corrections institution.

TL-007503.23

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof that the loss continues, or proof by any other electronic/telephonic means authorized by us, must be furnished to us at intervals we require. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to us.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable

Disability Benefits will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, we may, at our option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to any of your following living relatives: your spouse, your mother, your father, your children, your brothers or sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Reinstatement of Insurance

Your insurance may be reinstated if it ends because you are on an unpaid leave of absence. If your Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, your insurance may be reinstated at the conclusion of the FMLA leave.

If your Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:

1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:

1. You must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. We must receive a written request for reinstatement within 31 days from the date you return to Active Service.

Reinstated insurance will be effective on the date you return to Active Service. If you did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

TL-009960.00

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by you are representations not warranties. No statement will be used by us to deny or reduce benefits or as a defense to a claim, unless a copy of the writing containing the statement has been given to you. In the event of your death or legal incapacity, your beneficiary or representative will receive the copy.

Except for fraud, we will not use any statement to contest your insurance after two years from the effective date of your coverage or from the effective date of any additional or increased benefits.

Misstatement of Age

If your age is misstated, we will adjust all benefits to the amounts that would have been purchased for your correct age.

Workers' Compensation Insurance

Benefits payable under the Policy are not in lieu of and do not affect any requirements for coverage under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided coverage under the Policy is in effect. Your insurance may not be levied on, attached, garnished, or otherwise taken for your debts. This prohibition does not apply where contrary to law.

Clerical Error

Your insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Agency

The Employer and Plan Administrator are your agents for transactions relating to your insurance under the Policy. We are not liable for any of their acts or omissions.

Active Service

If you are an Employee, you are in Active Service on a day which is one of the Employer's scheduled work days if either of the following conditions are met.

You are in Active Service on a day which is not one of the Employer's scheduled work days only if you were in Active Service on the preceding scheduled work day.

Appropriate Care means you:

If the condition is of a nature or severity that it is customarily treated by a recognized medical specialty, the Physician is a practitioner in that specialty.

Covered Earnings

Covered Earnings means your wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date your Disability begins. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date of the change, if the Employer gives us written notice of the change and the required premium is paid.

It does not include any amounts received as bonus, commissions, overtime pay or other extra compensation.

Any increase in your Covered Earnings will not be effective during a period of continuous Disability.

If you are paid on an annual contract basis, your monthly rate of earnings is 1/12 of your annual salary as reported by your Employer.

If you are paid hourly, your monthly rate of earnings is 1/12 of your annual earnings as reported by your Employer.

Disability/Disabled

You are considered Disabled if, solely because of Injury or Sickness, you are:

1. unable to perform the material duties of your Regular Occupation; and
2. unable to earn 80% or more of your Indexed Earnings from working in your Regular Occupation.

After Disability Benefits have been payable for 24 months, you are considered Disabled if, solely due to Injury or Sickness, you are:

Disability Earnings

Any wage or salary for any work performed for any employer during your Disability, including commissions, bonus, overtime pay or other extra compensation.

Employee

For eligibility purposes, you are an Employee if you work for the Employer and are in one of the "Classes of Eligible Employees." Otherwise, you are an Employee if you are an employee of the Employer who is insured under the Policy.

Employer

The Policyholder and any affiliates or subsidiaries covered under the Policy. The Employer is acting as your agent for transactions relating to this insurance. You shall not consider any actions of the Employer as actions of the Insurance Company.

Full-time

For the first 12 months Monthly Benefits are payable, your Indexed Earnings are equal to your Covered Earnings. After 12 Monthly Benefits are payable, your Indexed Earnings are your Covered Earnings plus an increase applied on each anniversary of the date Monthly Benefits became payable. The amount of each increase will be the lesser of:

1. 10% of your Indexed Earnings during your preceding year of Disability; or
2. the rate of increase in the Consumer Price Index (CPI-W) during the preceding calendar year.

Injury

Any accidental loss or bodily harm that results directly and independently from all other causes from an Accident.

Insurability Requirement

An eligible person satisfies the Insurability Requirement for an amount of coverage on the day we agree in writing to accept you as insured for that amount. To determine a person's acceptability for coverage, we will require you to provide evidence of good health and may require it be provided at your expense.

Insurance Company

The Insurance Company underwriting the Policy is named on your certificate cover page. References to the Insurance Company have been changed to "we", "our", "ours", and "us" throughout the certificate.

Insured

You are an Insured if you are eligible for insurance under the Policy, insurance is elected for you, the required premium is paid and your coverage is in force under the Policy.

Physician

Physician means a licensed doctor practicing within the scope of his or her license and rendering care and treatment to an Insured that is appropriate for the condition and locality. The term does not include you, your spouse, your immediate family (including parents, children, siblings, or spouses of any of the foregoing, whether the relationship derives from blood or marriage), or a person living in your household.

Prior Plan

The Prior Plan refers to the plan of insurance providing similar benefits to you, sponsored by the Employer and in effect directly prior to the Policy Effective Date. A Prior Plan will include the plan of a company in effect on the day prior to that company's addition to this Policy after the Policy Effective Date.

Regular Occupation

The occupation you routinely perform at the time the Disability begins. In evaluating the Disability, we will consider the duties of the occupation as it is normally performed in the general labor market in the national economy. **LIFE INSURANCE COMPANY OF NORTH AMERICA
MODIFICATION RIDER**

Effective Date of Rider: September 1, 2015, or if later the Effective Date of Your Certificate

This Rider modifies the Disability Insurance of your Certificate/the Group Policy.

The Company and the Policyholder hereby agree that the Policy and Certificate are amended as follows:

**MODIFICATION OF
ADDITIONAL BENEFITS FOR DISABILITY INSURANCE**

MONTHLY ANNUITY CONTRIBUTION BENEFIT

The Insurance Company will pay a Monthly Annuity Contribution Benefit if the Employee is covered under the Policy and has met the terms and conditions below.

Requirements

1. The Employee is participating in the Employer's 403(b) retirement plan on the date of Disability.
2. The Employee is considered Disabled and Disability Benefits are payable to the Employee under the Policy.
3. The Disability has extended for the longer of (i) 60 calendar days or (ii) the applicable Elimination Period.

Benefit Amount

The amount of the Monthly Annuity Contribution Benefit will equal the Employee's contribution plus the Employer's contribution, up to a combined maximum of 15% of the Employee's Covered Earnings amount in effect just prior to the date Disability begins.

The Monthly Annuity Contribution Benefit will not be reduced by Other Income Benefits shown in the Policy.

Payment of Benefit

The Monthly Annuity Contribution Benefit will not be paid directly to the Employee. The Monthly Annuity Contribution Benefit will be paid to the administrator of your Employer's 403(b) retirement plan as a Policy benefit remitted on your behalf to your Employer's retirement plan administrator.

Contributions to your Employer's retirement plan are subject to limits under the Internal Revenue Code. The Insurance Company does not assume responsibility that this benefit does not exceed those limits. Where the Insurance Company is advised by the plan administrator that this benefit must be reduced to comply with Internal Revenue Code limits, or to comply with any request communicated by the retirement plan administrator, the Insurance Company will reduce this benefit by the amount requested in writing by the plan administrator.

Provided Disability Benefits are also due under the Policy, the Insurance Company will pay the Monthly Annuity Contribution Benefit within 60 days after satisfactory Proof of Loss has been given to the Insurance Company. The Employee's Monthly Annuity Contribution Benefit will be paid at the same time Disability Benefits are payable. If requested by the Insurance Company and agreed to by the Employee, the Monthly Annuity Premium Benefit may be applied to recover all or any portion of an overpayment, in accordance with the Recovery of Overpayment Provision.

Termination of Benefit

Monthly Annuity Contribution Benefits shall terminate and payment under it shall end the earliest of the following dates:

1. The date the Employee's Disability Benefits under the Policy end;
2. The date the Employee withdraws all funds from any retirement plan the Insurance Company contributed to for you under this Policy.

Proof of Loss

For entitlement to the Monthly Annuity Contribution Benefit, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the Employee meets all the requirements for the Monthly Annuity Contribution Benefit. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible.

In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.
