Group Life Portability Employee Kit

Solutions for employees making a career transition
Life insurance protection: You can take it with you

It makes sense to protect your family with life insurance. Fortunately, you can keep this important benefit even if you are changing jobs or careers and aren’t able to get the same coverage elsewhere. This insurance has a portability option that allows you to “port” or carry your benefits with you when you leave your job.

Generally, this coverage is available until you turn age 70 or you retire, whichever comes first. Please check your group insurance booklet or certificate, or talk with your benefits administrator for confirmation.

You have a limited time to act. If you want to continue your coverage, you must notify Sun Life Financial within 31 days of the termination of your current employment.

The information contained in the next few pages will help you calculate the premiums for portability coverage and provides instruction for submitting your application.

I am eligible for portability coverage. Now what?

Your employer will give you two forms:

1. **Portability notice**: Your employer completes this form, but you need to mail it to Sun Life Financial with your application and payment. This form shows you how much coverage you had with your employer, including any spouse and/or child coverage and/or accidental death & dismemberment (AD&D), if applicable.

2. **Application**: This is for you to complete and mail to Sun Life Financial. We have three tools to help you make a decision: the portability notice explained above and the worksheet and rate example to the right. You have the option to keep the same coverage or decrease the amount.

Calculating your costs

Before you begin, there are three very important points to keep in mind:

- **Basic and Optional Life**: If you are porting both Basic Life and Optional Life, be sure to total the two amounts. For example, if you were covered for $50,000 of Basic Life and $200,000 of Optional Life, the amount of coverage should be $250,000.

- **AD&D**: Employees can port their AD&D insurance coverage, in addition to life insurance coverage. If they do so, the amount will match the amount of life insurance they choose to port. So do not add AD&D to the amount of life coverage you choose.

- **Dependent coverage**: The premium for children is based on the cost of Group Life coverage for one child, regardless of how many children you have. Therefore, all of your children will have the same amount of coverage. The premium for your spouse is based on your spouse’s age.

---

**Example**

This example is based on employee, age 40, $100,000 of coverage for employee, $50,000 for spouse, and $10,000 for child.

**Step 1: Coverage amount**

Enter the amount of coverage for you, your spouse, and child(ren).

**Step 2: Units**

Divide the amount in step 1 by 1,000 ($100,000 ÷ 1,000 = 100).

**Step 3: Rate**

Refer to the “Rates for portable Group Term Life” chart to find your age and coverage. Refer to your portability notice to determine whether to use the life-only or life + AD&D rate. Enter the applicable rate.

**Step 4: Cost per month**

Multiply the number in step 2 by the rate in step 3 (100 x 0.26 = $26.00).

Add the cost for employee, together with spouse and child(ren) if applicable.

These rates are monthly amounts per $1,000 of coverage and became effective January 1, 2009. Note: When you reach a new age range, your rates and premium will increase.

#### Step 5: Premium payment

You determine your payment plan. Select one:

- **Annually:** Multiply the total cost per month by 12. Check the “annually” box in section 2 of the application. In the example: $26.00 x 12 = $312.00/year.

- **Semi-annually:** Multiply the total cost per month by 6. Check the “semi-annually” box in section 2 of the application. In the example: $26.00 x 6 = $156.00, paid twice per year.

- **Quarterly:** Multiply the total cost per month by 3. Check the “quarterly” box in section 2 of the application. In the example: $26.00 x 3 = $78.00, paid four times per year.
Submitting your application

Introducing Crosby Benefit Systems, Inc.
After you make your first payment, our designated administrator, Crosby Benefit Systems, will bill you for all future payments. You will receive correspondence and a payment coupon booklet from Crosby, and you can contact Crosby with any billing questions at 800-462-2235.

Note: If your ported coverage lapses due to not paying the premium, you will not be eligible to reinstate your ported coverage or apply for conversion (see details below).

I am not eligible for portability coverage. Now what?
There are a few reasons why you may be ineligible for portability coverage, including the following:

• Your employer’s group policy does not include portability.
• You were not insured for Life before your termination date.
• You are age 70 or over (refer to your certificate for specifics).
• You remain in employment with your employer but not at full-time status.
• Your work hours have been reduced below the minimum hours required for eligibility under your employer’s group policy.
• Your insurance is being continued under the waiver of premium provision.
• You retire or have an injury or sickness that would have a material effect on your life expectancy.

Consult your plan booklet for specific details on your plan.

If you are ineligible for portability or if you prefer more permanent coverage, you can apply for Group Life conversion. Conversion allows you to purchase an individual life insurance policy from Sun Life Assurance Company of Canada. You can apply for conversion of all of the Group Life insurance you had with your previous employer. You may also be eligible to convert an amount in excess of the $500,000 portability maximum. However, you cannot convert coverage that you chose to port to an individual life insurance policy.

Talk with your benefits administrator about applying for conversion. You should receive a conversion notice, application, and kit.
