Life Insurance Special Enrollment Opportunity Coming Soon!

Upcoming Special Open Enrollment Opportunity for Life Insurance

April 16, through April 27, 2012

Protection And Stability Go Hand In Hand

Your opportunity to get both is coming! You know you should protect those you love with Life insurance. But who can you rely on for that protection?

Here's the answer for Wayne State University employees:

Standard Insurance Company offers Life insurance you can count on! WSU has partnered with The Standard to offer this unique enrollment opportunity.

Plan change

We are pleased to announce the enhancement to the Supplemental (Additional) Life Insurance plan that will allow you to purchase up to 4 times your annual earnings subject to the maximum for your Employee Group. Your new coverage amounts will be effective August 1, 2012.

Special Open Enrollment Period

In conjunction with the increase in the plan, a special, one-time open enrollment for Supplemental and Dependent Life Insurance will take place from April 16, 2012 through April 27, 2012, with changes elected going into effect on August 1, 2012. During this special open enrollment period, you can enroll in the Supplemental Life plan at 1 times your annual earnings or increase your current Supplemental Life insurance by 1 level without having to provide your medical history information. If you apply for an increase of more than 1 times your current level of supplemental coverage during the open enrollment, complete and submit a Medical History statement found at www.standard.com/mybenefits/mhs_ho.html.

During the Special Open Enrollment, if your spouse and child(ren) are not currently enrolled in Dependents Life, you may enroll them without submitting evidence of insurability.
