2. Set up and manage your contributions

First time users: Click Set Up Contributions.

Returning users: You will be taken to the Balances tab where you can view your total balance in the Plan, regardless of provider. To change your contributions, go to the Contributions tab and click Manage Contributions.

On the next page, enter the amount you want to contribute to the 403(b) and/or 457(b) voluntary plan(s) per pay period and when you want contributions to start.

• Based on the percentage you enter/If you enter a percentage, you’ll see an estimate of your dollar contribution per pay period.

• Contribute between 1% and 5% to get your employer match. Note: Wayne State University limits the percentage amount you can contribute for any one paycheck to 80% of gross pay (considering both 403(b) and 457(b) plan contributions).

• Choose if you would like your contribution to automatically increase. If so, indicate by how much, the frequency, and at what percentage the increase should stop.

After completing your 403(b) elections, you will be asked if you want to contribute to the 457(b) plan. Check Yes or No. If you choose Yes, enter the percentage you want to contribute.
3. Select investment providers

Decide if you want to direct all of your contributions to the same investment provider(s) and click Yes or No.

If you choose Yes, all plans in which you contribute and all contribution types—which, based on your plan(s), may include pretax employee contributions and employer contributions—will be directed to the same investment provider(s) in the same percentages.

Enter the percentage you wish to allocate to each provider. Ensure your total equals 100 percent.

4. Review your contributions

Check to be sure your desired selections are reflected in the summary.

If they are not, click the Edit button to make changes.

Once your selections are shown, review the “Terms and Conditions,” check the box, then click Confirm. The next page will confirm that your elections were submitted.
5. Open your investment account(s) and select investments

Click the name of each provider you selected to open an account with them (if you do not have one already) and select your investments by plan. You will exit Retirement@Work and be taken to each provider’s website to complete this task. If you selected both Fidelity and TIAA, you must return to this page to click each provider’s name to complete the process.
